With great sadness in our hearts, the Catholic Independent Schools Kamloops Diocese offers its prayers and condolences to the Tk'emlúps te Secwépemc families and all who are impacted by the recent news report of the buried remains of children found on the grounds of the former Kamloops Indian Residential School. The loss of one child is profound; the loss of 215 children is unimaginable.

As Canadians, we are still learning and grappling with a complex and tragic national history. The recent findings are a reminder of these deep wounds.

As we walk on this journey - as Catholics, educators, and Canadians- we pray that the memory of those lost will be eternal.
