## **MEDIA RELEASE**

**January 25, 2022**

From all of us in the Catholic Independent Schools of the Kamloops Diocese, we recognize that there is a scheduled media release at 1:00pm today to discuss the preliminary geophysical findings of the St. Joseph's Mission Residential School in Williams Lake.

We acknowledge that many of our students, families and staff will be carrying heavy hearts this day and continue to offer you our support and our prayers, and commit to continuing the work of Reconciliation, as we sit together with these difficult Truths.

Sincerely,

Christopher Yuen  
Superintendent of Schools
